Hello Mary,

EPA is holding a press conference call at 3:00 MST this afternoon. The call information is below:

Media Conference call today: Nonresponsive Conference Code at 3:00pm Mountain Time

Want to share with you the link to the EPA website that includes

<http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>

Where you can locate:

- Summary of EPA Surface Water Sampling of Select Metals Results to Date

Sincerely, Libby

Libby Faulk, Program Manager
Public Affairs and Community Involvement
US EPA, Region 8

Subject: durango

Hi Libby:

I attended the press conference yesterday. When and where will the water test results be released? How often will the water be tested? Is there an airborne effect on this level of toxicity in the water?

Thank you,
Mary
